

Back-of-House

EKFA 412 S1

- Maximize cooking capacity in a small space
- Four-tray, quarter-size countertop convection oven with manual controls
- Stainless-steel cooking chamber with temperature range 200° to 500°F
- High-performance oven insulation with high-efficiency motor and fan

Silpat Non-Stick Mat

- Reusable baking sheet for confectionery and nougat related baking
- Silicone-infused knitted glass fabric
- No greasing needed, easy to clean, heat resistant up to 580°F

Countertop Charbroiler

- One heavy-duty cast-iron H-Type burner per 12" section; at 30,000 BTU/hour
- High-quality lava rocks paired with heavy-duty cast iron grates provide maximum heat retention
- Burners protected by heat shield to prevent blockage of ports and pilot light
- Features a 4" plate rail, easy-to-remove drip pans, and a spatula-width grease trough

Waring Blenders

- Waring offers a complete range of blenders from light-duty to ultra-heavy-duty
- Multiple BPA-free, dishwasher-safe jar options
- Heavy-duty stainless-steel blade with user-replaceable blending assembly
- All blenders come with a limited two or three-year warranty
