

Delivery

StaySafe Tamper Evident Labels

- Take the worry out of delivery and offer customers peace of mind
- Designed for kitchen staff to apply and customers to remove
- Ensures at-a-glance confidence during transport and hand-off of meals and drinks
- Adhesive sticks to most surfaces without residue, perforated for easy opening

Insulated Pass Thru Proof/Hold Cabinet

- Features 16 31/2-inch removable pan supports
- Blower fan provides uniform heat distribution throughout cabinet
- Choose from clear polycarbonate or solid insulated aluminum in either full-length or Dutch Door
- Removable heat unit with separate controls for temperature and humidity

Cambags and Camboxes

- Bags are lightweight, sturdy, easy to clean, and require minimal storage space
- Great for single-stop deliveries of hot and cold menu items

- Boxes are lightweight, high-performance insulation material for easy delivery
- Holds safe temperatures for over four hours, stackable
- Good for multiple-stop deliveries, large events, or holding for take-out

Food Warming Shelf

- Designed to accommodate curbside pickup, takeout, and delivery operations
- All-aluminum construction, multiple sizes available
- Each shelf is controlled by a separate power switch, 200°F fixed setting
